N°8 MARKET PASSAGE, CAMBRIDGE

Who we are...

At Cambridge Baroosh we believe in great service, great food and cocktails that will blow your taste buds away. Born in 2000, Baroosh is located at the heart of Cambridge, matching its sophisticated and elegant tone.

How can we help you?

Where to start!

You have a birthday? We'll organise it for you. You want to network with other businesses? We'll provide the space for you. You want to train your staff? Come and use our function room – although we'll leave the training to you!

Whatever the event, we have space for you; from the vibrant ground floor for a lively feel to your reservation, the cosy mez to rekindle old flames, the open-plan top bar to catch up with friends, and of course our private room 'The Intermission' to make it just how you want it.

THE INTERMISSION

Following a complete refit, we've worked hard to provide a function room that 'plays to the heritage of the old cinema building with a new movie star and cinematic feel'. Honouring this we named it 'The Intermission'.

Situated on the top floor of Baroosh, it is our pride and joy. If you're in any doubt come over and we'll show you around!

The Intermission offers:

- Standing capacity of 75 or 40 seated
- Private smoking terrace fitted with heaters and a rain cover
